

*Who are these women you may ask?*

These are just four of the prime ministers from the Caribbean and Africa. We are proud to have such women leading these countries and paving the way for future women leaders around the world.

From top to bottom we have:

**Jamaican Prime Minister Portia Simpson Miller**

**Senegalese Prime Minister Aminata Touré**

**Central African republic President Catherine Samba-Panza**

**Trinidad's Prime Minister Kamla Persad-Bissessar**
